

## Tournament Results February 25, 2017

Our February 25 tournament was a great day with 16 teams and 47 members participating. The morning started out at 60 degrees and threatening rain. The rain subsided, but the wind really picked up and the temperature didn't get any warmer. In fact, as the morning progressed, it felt colder with the chilling wind. The fish ran a lot larger when compared to previous tournaments. At the 1:00 PM weigh-in at Sherry's Bait and Barbeque, David Thornton, Ron Curtis and Tommy Shelton won the largest 7 combined fish at 7 lbs 9 oz. Dale Burrell won the largest fish at 2 lbs. 3 oz. The crappies had many eggs in them and it looked like they were getting ready to spawn. The water temperature was 57 degrees and they should be spawning shortly. Once the spawn starts you will find them in very shallow water (1 to 4 feet). At this time, they are easy to catch with minnows. Below are pictures of Dale Burrell with his awesome fish, some of the participants and samples of the nice fish caught. Also, please see the attached Tournament Results Form and Monthly Summary.
