

Tournament Results December, 2017

Our December 14 tournament included 7 teams with 19 members participating. This was a weekday tournament as the tournament was re-scheduled from the prior Saturday due to poor weather.

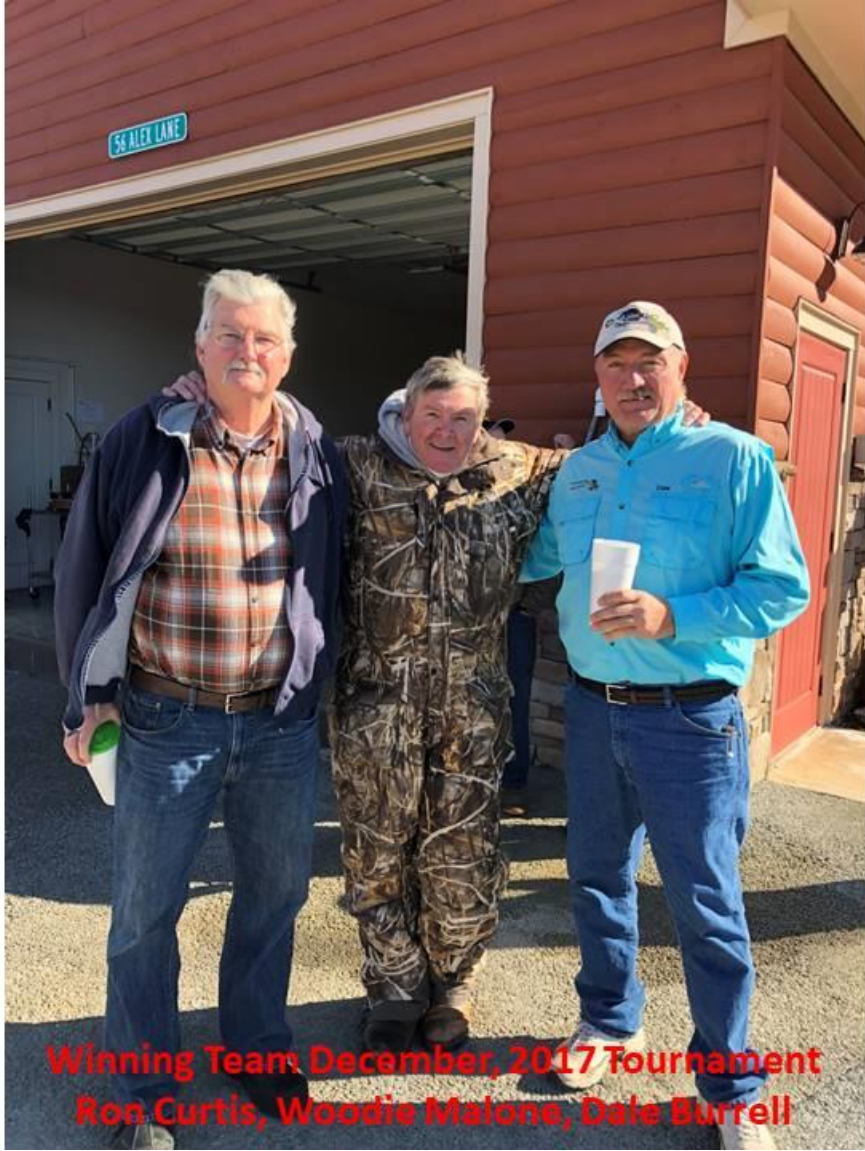

At the 12:00 PM weigh-in at Sherry's Bait and Barbeque, the team of Woodie Malone, Ron Curtis and Dale Burrell won the largest 7 combined fish weight at 4 lbs. 10.2 oz. The largest fish of the day was caught by Warren Lange at 1 lb. 10.8 oz.

The weather cooperated as temperatures became fairly pleasant as the morning progressed. However, as in November, fishing results were generally poor as several teams had no fish to weigh-in. Most of the fish caught were also relatively small with some teams having to release several fish less than the 10 inch minimum required for weigh-in.

As it is the end of the calendar year and all tournaments are done, the annual winners have solidified their standings. The winning team for combined 7 fish weight for the 2017 year was Woodie Malone and Rick Kirkland. Their March weigh-in was 9 lbs. 6.4 oz. The big fish winner for the 2017 year was Dale Burrell with a 2 lb. 3 oz. fish caught in February.

Below please see the attached December Tournament Results Form and Monthly Summary along with some pictures from the weigh-in at Sherry's.
