

# Tournament Results August, 2017

Our August 12 tournament included 11 teams with 29 members participating.

At the 12:00 PM weigh-in at Sherry's Bait and Barbeque, the team of Tom Brown and Chip Gibbs won the largest 7 combined fish at 8 lbs. 5.4 oz. This was the second highest total for the year and quite exceptional for a summer month. Only the March tournament total of over 9 pounds exceeded this catch. The largest fish of the day was caught by Chip Gibbs at 1 lb. 11.4 oz.

Below please see the attached August Tournament Results Form and Monthly Summary along with some pictures from the weigh-in at Sherry's.
