

North Georgia Crappie Anglers

Meeting Notes

December 13, 2018

The December 13 meeting had an attendance of 60 members and guests.

The meeting started with general business reports from various officers and committees following a BBQ dinner catered by Sherry's Bait and BBQ.

Woodie Malone presented Roy "Mac" McMillan with a gift card in acknowledgment of his outstanding efforts in conducting the sale of the donated items to raise money for the Fall Children's Tournament. Mac's wife and family members were also in attendance.

The program for the evening was a presentation by Hunter Roop a biologist with the Georgia Dept. of Natural Resources (DNR). Hunter joined the DNR on August 1, 2018. He is responsible for an area that includes Lake Lanier. His presentation was mostly about his background and some basics about recent fish sampling. As he is relatively new to the DNR, he has not had a lot of time to complete full analysis of the status of fish populations/health in Lake Lanier. Hunter was accompanied by Mark Rigglesford also of the DNR. Their regional office is in Gainesville. If anyone has questions about fish in Lake Lanier they can call the office at 770-535-5498.

After the DNR presentation, Greg Hebert conducted the election of officers for 2019. Woodie Malone will continue as president. Roy

McMillan will become treasurer. Tony Maddox will continue as vice president. Jim Finley will continue as secretary.

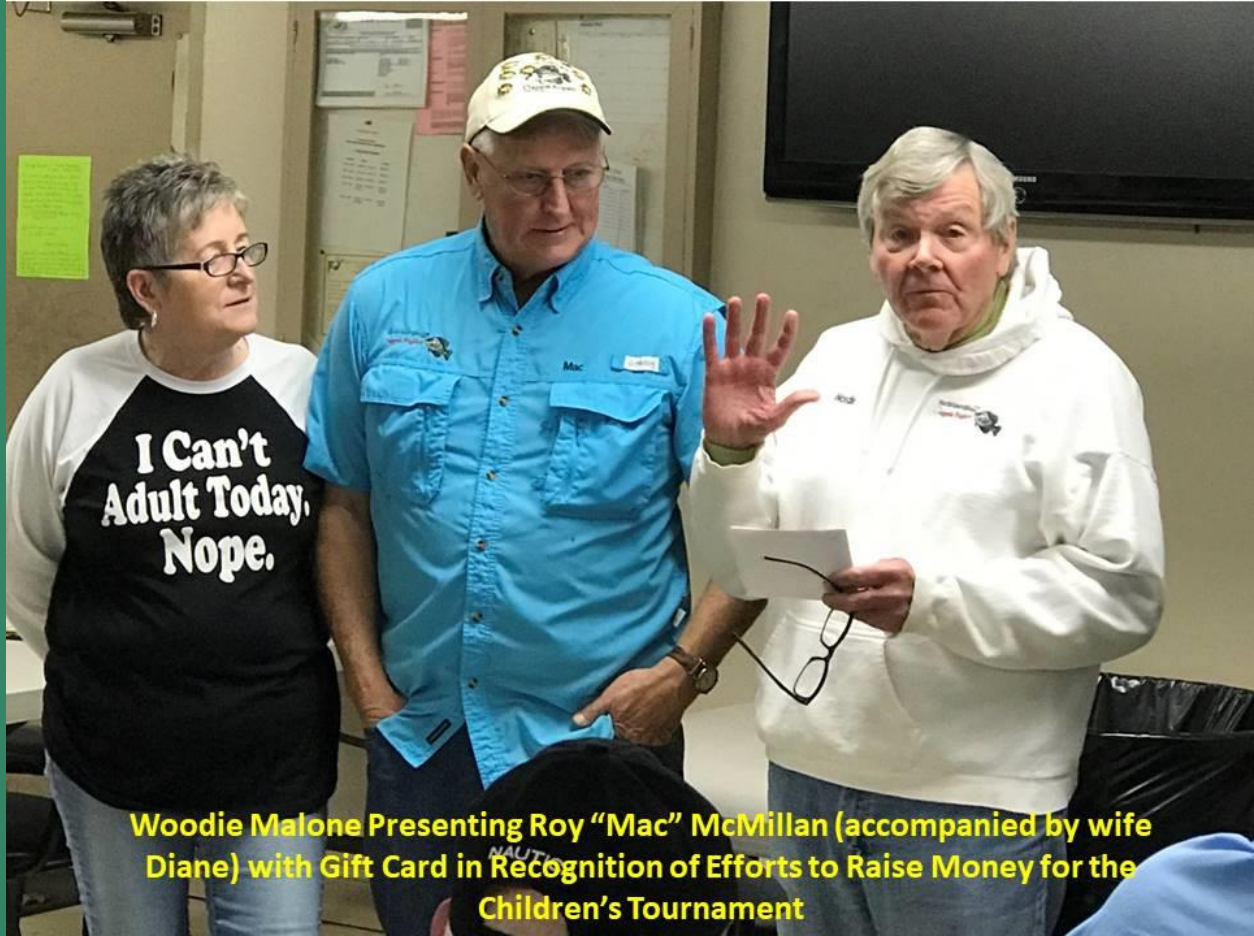

Tony Maddox and Woodie presented pins to the November 10 tournament winners. The winning team members for November 10 were Chip Gibbs and Tom Brown with a total weight for 7 fish of 6 pounds 3.4 oz. The big fish winner was Chip Gibbs with a 1 pound 8.8 oz. crappie.

The remainder of the meeting focused on our tournament rules as Tony and Woodie went over the new point system and a few other smaller tweaks being made for 2019. The point system will allow members to accumulate points based on tournament results (and a few other “bonuses”) leading towards annual winners of awards.
