

North Georgia Crappie Anglers

Meeting Notes

February 8, 2018

The February 8 meeting had another large attendance of over 70 members and guests.

The meeting started with general business reports from various officers and committees following a country style dinner. After the reports, Steve Scott asked for a volunteer to assist in putting out information on social media regarding the Annual Fall Children's Fishing Classic. This would be a simple task once someone is setup on Facebook, Twitter and Instagram. Steve would help get someone up to speed on exactly what to do. Please contact Steve if you have any experience/interest in helping out with this need.

Woodie Malone presented Certificates of Excellence to Warren Lange and Steve Scott in appreciation of their efforts to make our NGCA web site one of the most creative and well-constructed compared to any fishing club.

Tony presented pins to the January Tournament winners. The winning team members for January were Ron Curtis, Clayton Nugent and Don Finfrock with a total weight for 7 fish of 4 pounds 6.2 oz. The big fish winner for January was Mark Hammond with a 1 pound 5 oz. crappie.

The program for the meeting was a presentation on dock shooting techniques. Tommy Bruce and Don Widby gave the group a nice introduction to this valuable fishing skill and answered many questions

from the members regarding proper equipment, where to place a boat, which docks to fish, etc.

Below are some pictures from the meeting including the pin presentations.
