Meeting Notes

April 11, 2019

The April 11 meeting had an attendance of about 55 members and guests.

The meeting started with some general business reports following dinner. Tony Maddox conducted the meeting as Woodie Malone could not attend due to a foot injury. Roy MacMillan gave a treasurer's report indicating that while our balance is very good today we have some major expenses scheduled for the year.

Josh Thornton explained the raffle for the Humminbird Fish Finder. Tickets are \$10 each. He wants to sell 300 tickets. The proceeds will go to support the Fishing with Military Heroes Tournament in September.

Tony Maddox announced the winners of the March 30 tournament although pins were not available for presentation at the meeting. The winning team members for March 30 were David Thornton, Jim Harrell and Jim Finley with a total weight for 7 fish of 7 pounds 11.4 oz. The big fish winner was Tong Luu with a 1 pound 11.2 oz. crappie.

Mike Dyer introduced Bill Carson from Humminbird who made a slide presentation regarding fish finders with a focus on finding/identifying crappie. He had some very helpful suggestions on best set-up of side imaging to see under docks. He had many great screen shots of various locations showing crappie relating to brush, crappie under docks, etc. He also talked about several of the features of Humminbird fish finders and how to use them.
