

Tournament Results November 10, 2018

Our November 10 tournament included 10 teams with 28 participants. It was a cold morning and fishing was not an easy task.

At the 1:00 PM weigh-in at Sherry's Bait and Barbeque, the team of Chip Gibbs and Tom Brown won the largest 7 combined fish weight at 6 lbs. 3.4 oz.

The largest fish of the day was caught by Tom Brown at 1 lb. 8.8 oz.

Fishing results were again mixed for this tournament as only 6 out of 10 teams weighed in some fish. A total of 50 fish were weighed in vs. 81 for the last tournament. Total weight of the fish caught dropped a bit from the last tournament with about 25 pounds this week vs. about 30 pounds for the October 13 tournament.
