

Tournament Results May 12, 2018

Our May 12 tournament included 15 teams with 40 members participating. It was a wonderful day for a tournament with nice morning temperatures and sunny skies.

At the 1:00 PM weigh-in at Sherry's Bait and Barbeque, the team of David Thornton and Josh Thornton won the largest 7 combined fish weight at 7 lbs. 8.4 oz. The largest fish of the day was caught by Woodie Malone at 1 lb. 8.0 oz.

Fishing results were fairly good for this tournament as all but 4 teams weighed in some fish. Total weight of all fish caught was down from the previous two tournaments' 50-60 pound catches. The total for this tournament was just over 40 pounds.

Below please see the attached May 12 Tournament Results Form and Monthly Summary along with some pictures from the weigh-in at Sherry's.
