

Ramp Pass

Before purchasing the yearly Boat Ramp Hanging Pass for \$30 from the Corps of Engineers, pick up the America the Beautiful Lifetime Pass for Seniors age 62 and up for only \$10 from the National Park Service. This pass allows you free access to every national park in the United States and 50% off camping fees; then revisit the Corps of Engineers to get your ramp pass for only \$15 per year. Think of it for a moment. No more filling out the Fee Envelope or making sure that you have the \$3 or \$4 fee when you get to the ramp. This is a good value.
