

North Georgia Crappie Anglers Sponsorship Program

The **North Georgia Crappie Anglers** is a Georgia State and federal (501 3c) chartered non-profit fishing organization and is designated as a public benefit corporation that was formed approximately five years ago and operates exclusively for educational and charitable purposes. We have approximately two hundred members. The club promotes good fellowship, and meets monthly to educate members on issues such as the status of the crappie population in Lake Lanier. Members of other fishing clubs, fishing professionals and the Georgia DNR have spoken at our meetings. We also sponsor a monthly fishing tournament along with a number of family activities and outings. Your sponsorships are used to support all of our club functions including an annual fishing tournament for children to teach and encourage the kids to enjoy the sport of fishing. In our recent Children's Tournament, we had over 100 kids participate.

\$50 Level Of Support For 1 Year – This will allow us to display your logo in a prominent place on our web site for one year and if you have a web site, and if you choose, a link will be provided from your ad to your web site. We will provide the design of your ad free of charge. NGCA Web Site: www.northgeorgiacrappieanglers.com
