

North Georgia Crappie Anglers

Callaway Garden Fishing Trip

April 27, 2018

A group of 12 members and spouses from the club enjoyed a fishing trip to Callaway Gardens in Pine Mountain, GA.

After staying overnight the group met early on Friday morning with the guides for float tube fishing in the lakes within the garden. These lakes are known for their large bluegill. This was the first fishing experience for some of the members' spouses.

Some pictures from the trip are presented below.
